Closure Date: 12/11/2015

Notes: TSTC carefully documented each students progress in completing their program.

- o 2 graduated Fall of 2015
- o 1 graduated Spring of 2016
- o 1 graduated Summer of 2016
- o 2 still lacking two academic courses to finish associates (had graduated with certificate prior to closure)

Student Arrangements: At the time that the students first enrolled in the program, TSTC was actively working with OxyChem representatives and community leaders to address options for when the lease expired. Due to low program enrollment and placement coupled with cost of program delivery/operations, no cost effective alternative ultimately drove the decision for closure. Immediately thereafter, TSTC began the process to ensure affected constituencies (students, faculty, staff, etc.) were informed of the impending closure and options for completion.

Notes: Yes. There were 12 students enrolled on or after the 90th day prior to closure. Their identities, contact information is available upon request. The educational outcomes as of the date of this writing are as follows:

- 6 have graduated and 4 of those have obtained their license
- 4 are currently still enrolled and attending classes at the Irving Campus
- 2 withdrew from classes at the Irving Campus for attendance reasons

Student Arrangements: Not all students completed their training prior to the last day of education classes. There were 12 students enrolled. All 12 of the student transferred to Tint School of Makeup & Cosmetology's Irving Campus (01293200). The students refund calculations were done on actual hours, not schedule hours so students were not charged more than their original contract amount. Additionally, students were given an additional \$1,500 scholarship and they were given a mileage check for the additional travel, which averaged 9 miles each way. This plan was submitted to and approved by NACCAS. These plans were not in place when the students first enrolled. However, Tint stopped enrolling at the campus as soon as the decision was made for closure.
